CALIFORNIA ROARS BACK

Governor Newsom's \$100 Billion California Comeback Plan

VAX FOR THE WIN

California's \$116.5M Vaccine Incentive Program – the Biggest in the Nation – to Boost Vaccinations and Help Safely Reopen the Economy on June 15

-
- **\$15M** grand cash prize split between **10** vaccinated Californians
 - **\$50,000 Fridays** cash prizes for **30** vaccinated Californians
 - **\$100M** in **\$50 cards** for the next **2M** new fully vaccinated Californians
-

Governor Newsom's historic **\$116.5 million vaccine incentive program – the biggest in the entire country** – is a multi-faceted initiative to reinforce the value of vaccination for all Californians, **especially those in communities hardest hit by the pandemic**, as California prepares to safely reopen the economy on June 15th. **Californians who have received the vaccine are already entered for cash prizes**, and those who haven't yet **should get vaccinated ASAP to receive a \$50 card and a chance to win cash prizes**.

\$16.5M IN CASH PRIZES FOR ALL VACCINATED CALIFORNIANS

- **\$15 MILLION GRAND CASH PRIZES FOR 10 WINNERS:** Ten winners will be selected on June 15 to win cash prizes of \$1.5 million each, totaling \$15 million in cash prizes. Californians with at least one dose of the COVID-19 vaccine who are 12 years of age and older will be eligible to win. If someone under 18 wins, the cash will be put in a savings account for them until they turn 18.
- **\$50,000 FRIDAYS FOR 30 WINNERS:** Thirty winners will be selected to win a \$50,000 cash prize each, with fifteen winners selected on Friday, June 4 and fifteen winners selected on Friday, June 11 – totaling \$1.5 million in cash prizes. Californians with at least one dose of the COVID-19 vaccine who are 12 years of age and older will be eligible to win. If someone under 18 wins, the cash will be put in a savings account for them until they turn 18.

\$100M INCENTIVE CARDS FOR NEWLY VACCINATED CALIFORNIANS

- **\$50 INCENTIVE CARDS FOR THE NEXT 2 MILLION VACCINATED CALIFORNIANS:** Beginning May 27, the next two million people who begin and then complete their COVID-19 vaccination will automatically be eligible for a \$50 Virtual Prepaid Card (which can be spent online, in-store where major debit cards are accepted, or added to a mobile wallet), or a \$50 grocery gift card for Kroger (Ralphs, Food 4 Less, Foods Co.) or Albertsons (Safeway, Vons, Albertsons, Pavilions, Andronico's), while supplies last.

Exclusions apply, for more information please covid19.ca.gov/vax-for-the-win

MENSAJE PARA EL PÚBLICO: LOS CENTROS DE VACUNACIÓN DE MODESTO Y PATTERSON ESTÁN CERRADOS

Esta semana fue la última para los sitios de vacunación masiva en Modesto Centre Plaza en Modesto y Hammon Senior Center en Patterson. El Condado de Stanislaus agradece sinceramente a todo el personal de la ciudad y a los voluntarios de esas clínicas; con su ayuda, pudimos vacunar a un total de 63,837 personas. Por ahora, no hay cambios para el sitio de vacunación en Stanislaus State en Turlock.

ACTUALMENTE VACUNANDO

- **Personas de 12 años o más**

NOTA: Los menores de 18 años sólo pueden recibir la vacuna Pfizer

Vea el calendario de la clínica de
vacunación en:

schsa.org/coronavirus/vaccine.

El condado de Stanislaus está cambiando su enfoque hacia clínicas móviles para aumentar la conveniencia y el acceso a las vacunas. Muchas de estas clínicas móviles también contarán con incentivos especiales, tales como un premio de \$50 para la compra de alimentos.

Rifa de tarjetas de regalo en El Rematito este fin de semana o recaudación de fondos "1 dólar por cada vacuna" en las distintas clínicas escolares. Visite schsa.org/coronavirus/vaccine para ver el calendario de las clínicas de vacunación.

GAÑE A LO GRANDE CON EL NUEVO PROGRAMA DE INCENTIVOS DE CALIFORNIA

El Estado de California anunció el 27 de mayo un nuevo programa de incentivos para la vacunación. Con el anuncio del programa Vax For the Win, todos los californianos que hayan recibido al menos una dosis entran automáticamente en 3 sorteos de premios en metálico. El 15 de junio se seleccionarán diez ganadores para ganar premios en metálico de 1.5 millones de dólares cada uno. Se seleccionarán treinta ganadores para ganar 50.000 dólares cada uno: quince ganadores el 4 de junio y quince ganadores el 11 de junio. Los californianos que aún no se hayan vacunado tienen 50 razones adicionales para hacerlo: los primeros 2 millones de personas que se vacunen después del anuncio de ayer también recibirán una tarjeta virtual Mastercard® de 50 dólares o una tarjeta de regalo de 50 dólares para comprar alimentos, a su elección. Obtenga más información en covid19.ca.gov/vax-for-the-win.

CONDADO DE STANISLAUS

ACTUALIZACIÓN COVID-19

viernes
5.28.2021

ÚLTIMA OPORTUNIDAD PARA ENTRAR AL NIVEL ANARANJADO

El próximo martes, 1 de junio, será la última oportunidad del condado de Stanislaus para alcanzar a nuestros vecinos y avanzar hacia el nivel anaranjado "moderado". Si somos capaces de reducir nuestra tasa de casos por debajo de 6 casos/100k y mantenerla en ese nivel, todavía podemos entrar en el Nivel Anaranjado. De lo contrario, seremos el único condado del Valle de San Joaquín que no avanzó. Al finalizar los planes para el fin de semana del Día de los Caídos, por favor recuerde practicar comportamientos seguros. Mientras que las personas totalmente vacunadas pueden acercarse y quitarse la mascarilla cerca de otras personas totalmente vacunadas, lo más seguro es mantenerse distante y con la mascarilla puesta cuando estén cerca de personas no vacunadas. Ayúdanos a llegar a Anaranjado practicando estos comportamientos seguros:

- Quédate en casa lo mas que puedas
- Use un cubrebocas alrededor de los demás, incluso afuera
- Lávese bien las manos y con frecuencia.
- Evite las reuniones o manténgalas pequeñas
- Hágase la prueba de COVID-19
- Vacúnate cuando sea tu turno

MESSAGE FOR THE PUBLIC: MODESTO AND PATTERSON VACCINATION SITES CLOSED

This week was the final week for the mass vaccination sites at Modesto Centre Plaza in Modesto and Hammon Senior Center in Patterson. Stanislaus County sincerely thanks all the city staff and volunteers at those clinics; with their help, we were able to vaccinate a total of 63,837 people. For now, there is no change for the vaccination site at Stanislaus State in Turlock.

Stanislaus County is shifting focus towards pop-up clinics to increase convenience and vaccine access. Many of these pop-up clinics will also feature special incentives, such as a \$50 Grocery Gift Card Raffle at El Rematito this weekend or "\$1 for every shot" fundraisers at the various school clinics. Visit schsa.org/coronavirus/vaccine to view the vaccination clinic schedule.

CURRENTLY VACCINATING

- **Individuals 12 and older**

NOTE: Individuals younger than 18 can only receive the Pfizer Vaccine

WIN BIG WITH CALIFORNIA'S NEW INCENTIVE PROGRAM

The State of California announced a new vaccination incentive program on May 27. With the announcement of the Vax For the Win Program, all Californians who have received at least 1 dose are automatically entered in 3 cash prize drawings. Ten winners will be selected on June 15 to win cash prizes of \$1.5 Million each. Thirty winners will be selected to win \$50,000 each – fifteen winners on June 4 & fifteen winners on June 11. Californians who haven't been vaccinated yet have 50 additional reasons to go: the first 2 million people to get vaccinated after yesterday's announcement will also receive their choice of a \$50 Virtual Mastercard® or a \$50 Grocery Gift Card! Learn more at covid19.ca.gov/vax-for-the-win.

LAST CHANCE TO GET INTO ORANGE TIER

Next Tuesday, June 1, will be Stanislaus County's last chance to catch up to our neighbors and advance into the "Moderate" Orange Tier. If we are able to push our case rate down to below 6 cases/100k and keep it there, we can still make it into Orange Tier. Otherwise, we will be the only San Joaquin Valley county that failed to progress. As you finalize plans for the Memorial Day weekend, please remember to practice safe behaviors. While fully vaccinated people can get close and take off their mask around other fully vaccinated people, it's safest to remain distant and mask up when around unvaccinated individuals. Help us get to Orange by practicing these safe behaviors:

- Stay home as much as possible
- Wear a mask around others
- Wash your hands well and often
- Avoid gatherings or keep them small
- Get tested for COVID-19
- Get vaccinated

MENSAJE PARA EL PÚBLICO: NUEVOS DATOS DE MODERNA

Moderna anunció el martes que su estudio TeenCOVE sobre su vacuna COVID-19 en adolescentes ha alcanzado su punto final primario. El estudio incluyó a 3.732 participantes de entre 12 y menos de 18 años de edad. No se vio ningún caso de COVID-19 en los participantes que recibieron la vacuna a partir de los 14 días de haber recibido la segunda dosis. Los efectos secundarios fueron muy similares a los observados en adultos: dolor leve o moderado en el lugar de la inyección, dolor de cabeza, cansancio, dolores de cuerpo y escalofríos. Los participantes en el estudio serán observados durante 12 meses más para obtener más información sobre la protección a largo plazo. Moderna tiene previsto presentar los datos a la FDA y a otros reguladores mundiales a principios de junio.

ACTUALMENTE VACUNANDO

- **Personas de 12 años o más que vivan en el condado de Stanislaus**
- **Personas de 14 años o más que trabajen en el condado de Stanislaus**

NOTA: Los menores de 18 años sólo pueden recibir la vacuna Pfizer

Vea el calendario de la clínica de vacunación en:

schsa.org/coronavirus/vaccine.

LAS VACUNAS COVID-19 SON MUY EFICACES

Un informe publicado hoy por los CDC muestra que, de los 101 millones de personas totalmente vacunadas en los EE.UU. hasta el 30/4/21, sólo se han notificado 10.262 infecciones por disrupción: una tasa de infección por disrupción de sólo el 0,01%. 995 de los casos de avance fueron hospitalizados, pero 289 de esas hospitalizaciones fueron asintomáticas o por otras razones no relacionadas con la COVID-19. 132 de los casos de avance murieron por causas relacionadas con el COVID-19; la edad media de las personas que murieron fue de 82 años.

Estos datos se suman a la ya gran cantidad de pruebas de que las vacunas COVID-19 son muy eficaces.

PSE ACABA EL TIEMPO PARA PASAR A LA NIVEL ANARANJADO

A medida que más condados del Valle Central avanzan hacia el nivel anaranjado, el condado de Stanislaus se mantiene en rojo. El condado de Merced avanzó hoy hacia el nivel anaranjado "moderado" y el condado de San Joaquín está preparado para unirse a ellos la próxima semana. Si somos capaces de reducir nuestra tasa de casos por debajo de 6 casos/100k para la próxima semana, todavía tenemos una oportunidad de avanzar en el nivel anaranjado el 8 de junio. Es posible que sigamos siendo el único condado del Valle de San Joaquín que se encuentra en el nivel rojo hasta que el plan se elimine el 15 de junio. MESSAGE FOR THE PUBLIC: NEW DATA FROM MODERNA

Moderna announced on Tuesday that their TeenCOVE Study about their COVID-19 vaccine in adolescents has reached its primary endpoint. The study included 3,732 participants between the ages of 12 and less than 18 years old. No cases of COVID-19 were seen in participants who received the vaccine starting 14 days after they received their 2nd dose. The side effects were very similar to those seen in adults: mild to moderate injection site pain, headache, tiredness, body aches, and chills. Study participants will be followed for an additional 12 months to gather more information about long-term protection. Moderna plans to submit the data to FDA and other worldwide regulators in early June.

COVID-19 VACCINES ARE VERY EFFECTIVE

A report published today by CDC shows that, out of 101 Million fully vaccinated people in the US as of 4/30/21, only 10,262 breakthrough infections have been reported: a breakthrough infection rate of only 0.01%. 995 of the breakthrough cases were hospitalized but 289 of those hospitalizations were asymptomatic or otherwise hospitalized for non-COVID-19 reasons. 132 of the breakthrough cases died due to COVID-19 related causes; the median age of people who died was 82 years old.

This data adds to the already huge amount of evidence that the COVID-19 vaccines are very effective.

STANISLAUS COUNTY REMAINS IN THE "SUBSTANTIAL" RED TIER

As more counties in Central Valley progressed to Orange tier, Stanislaus County remained in red. Merced County advanced into the "Moderate" Orange Tier today and San Joaquin County is poised to join them next week. If we are able to push our case rate down to below 6 cases/100k by next week, we still have a chance of advancing into the Orange Tier on June 8. We may remain the only San Joaquin Valley county stuck in Red Tier until the Blueprint goes away on June 15. Learn more about the Blueprint for a Safer Economy at: covid19.ca.gov/safer-economy/

Do your part to slow the spread of COVID-19. Continue practicing these safe behaviors:

- Stay home as much as possible
- Wear a mask around others
- Wash your hands well and often
- Avoid gatherings or keep them small
- Get tested for COVID-19
- Get vaccinated
