 - ii. Battle of the Classes rally will be on December 12th.
 - iii. Finals are on December 16.
- f. Denair Unified School District (DUSD) (www.denairusd.org) – Gabriela (Gabby) Sarmiento (Principal Denair Middle School)
 - i. DUSD and DMS prioritize building strong relationships.
 - ii. Middle school students experience a full range of developing emotions which can sometimes lead to challenges and emphasis is on continuing to reduce barriers for all students.
 - iii. In addition to engaging the students academically and socially (clubs), DMS has the purple athletic club.
 - 1. Purple squad athletic programs are designed to provide opportunities to learn how to be a part of a team to students who may not have the opportunity to play sports competitively and helps them feel welcome and valued.
 - 2. This program also feeds the high school sports program(s).
 - iv. DMS House System:
 - 1. All students and staff are sorted into one of 4 houses and have inter-house competitions, centered around school spirit and community, which has driven positive participation through the campus and increased the sense of belonging (think Harry Potter).
- g. 22nd Assembly District - Danielle Morgart - Assistant to Juan Alanis
 - i. Danielle was not in attendance but in a forwarded message said she hopes everyone had a great Thanksgiving and a happy holiday.

1. Supervisor Chiesa was at state of California Association of Counties Conference where he advocates for the special needs of counties, connects with other legislators. The event can be livestreamed Tuesday the 9th at 9 am.
 - ii. Jennifer Hidalgo - Community Relations Manager for the Chief Executive Office
 1. No comments
 - i. Stanislaus County Public Works
 - i. Not in attendance.
 - j. Stanislaus County Mobile Crisis Response Team - Horacio Madueno (1-888-376-6246, option 4, available 24/7)
 - i. 86 referrals, 14 resulted in psychiatric hospitalization
 - ii. The holidays usually bring an increase in suicide attempts so reach out if you suspect something
6. Information Item(s)
 - a. Question and Answer Session with Sherif Dirkse:
 - i. Sheriff Dirkse provided a summary of the current state of the Sheriff's Department and how Deputies and other resources are allocated throughout the county. He then engaged in a Q&A dialog with the community to address concerns about recent gang activity and on-going requests for a full-time deputy presence in Denair.
 1. Non-emergency line: 209.552.2468
 2. Staffing & funding:
 - a. In 2007 there were 214 operations deputies. Today there are 208 positions, of which 190 are currently filled.
 - b. County funding for the Sheriff's Department is still lower than historical levels.
 - c. All deputies are allocated to specific roles: Of the 208 deputies, approximately half are allocated to contract cities, jails and the courthouse.
 3. There was a substation in Denair, but it was closed sometime between 2010-2012 and never had a full-time (24/7, 365) deputy assigned.
 4. If 24/7 coverage is something the community wants, they will need to petition the Board of Supervisors (BOS), but the crime statistics do not support the need for 24/7 coverage in Denair. There is currently not enough funding or staffing for 24/7 coverage in Denair.
 5. Salida, with a population of 18,000, is the largest unincorporated town in the county and its proximity to Highway 99 associated crime statistics justify allocating 3 assigned deputies to the area. Denair, by contrast, has

a population of 5,500 and the crime statistics do not justify a full-time deputy.

6. The community is welcome to petition the BOS to allocate funding for a 24/7 Sheriff presence in Denair. The BOS will first reach out to the Sheriff's Office and ask if the crime statistics support the investment for a dedicated deputy. Sheriff Dirkse would have no choice but to say "No, the call volume does not support the price tag".
 - a. Currently, Denair only generates an average of three calls for service per day, most of which are non-criminal in nature.
 - b. Nearly all statistics are down over the last twenty-four months; only vandalism and disturbing the peace calls have increased.
7. The community's concerns are not unique to Denair. Sheriff Dirkse has had the same conversions and addressed similar concerns in other unincorporated communities.
8. Social media magnifies single incidents making them appear larger and more widespread than they are.
9. Crime statistics are only as accurate as what is reported. Incidents must be reported to the Sheriff's Department, even if it is not clear a crime is being committed.
10. Sheriff Dirkse cautioned that more police services could increase citations to community members.
11. Questions and Answers:
 - a. Is there a gang unit and, if not, are there any plans to create one?
 - No, not in Stanislaus County. Gang units are often not the best utilization of resources; there are more effective ways to monitor and prevent gang activity.
 - b. What can be done about vandalism?
 - Report it.
 - c. If 911 is called from a cell phone, how is it routed?
 - The cell towers triangulate the call, and it gets routed to the Sheriff's Office dispatch.
 - d. Who responds to 911 calls?
 - It depends on the nature of the call. (e.g. CHP generally responds to traffic calls and the Sheriff responds to crime-related calls)
 - e. On a high-volume night is there any immediate response from Turlock PD?
 - Usually not.

- f. Are deputies staged anywhere for deployment?
 - No. The deputies should be patrolling and engaged in proactive policing.
- g. If Denair was able to successfully petition the county supervisors for a 24/7 presence what communities would Sheriff Dirkse say are of greater need than Denair?
 - Denair is third on the list if they could do a one-by-one rollout. Keyes and Empire are in greater need of a dedicated deputy based on call volume and the nature of the incidents (e.g. violent and drug-related crimes).
- h. What if there are multiple calls for the same incident, how does that affect the statistics?
 - If all the calls are for the same incident, then it is logged as one call for service.
- i. What town has a deputy assigned to it that has the lowest crime statistics?
 - Deputies are not assigned to towns. There are four contract cities (Hughson, Patterson, Riverbank & Waterford) that pay the sheriff's department to be their police force. The only unincorporated town with assigned deputies is Salida (see #8 above).
 - Denair is in the Sheriff's "Six Beat", which consists of the areas east of Carpenter Road and South of Keyes Road.
 - 1. Routine calls go to the Beat Deputy.
 - 2. Urgent calls go to the closest Deputy.
- j. What will the County Board of Supervisors likely do when presented with a petition currently circulating within the community?
 - The BOS will ask the sheriff if the statistics support a community officer, to which he will say no. They will likely ask about staffing, which would require one sergeant and four or five deputies at a cost of approximately ~\$1.25M/year.
- k. In the statistics [Sheriff Dirke presented], what type of calls fall into the Miscellaneous category?
 - Informational reports, calls for service that are not crimes.

12. Key Take Aways:

- a. Crimes and incidents need to be reported to the Sheriff's Office and not just posted on social media.
- b. There needs to be more crime before a full-time deputy can be allocated to Denair.
- c. Denair is generally a very safe community.
- d. Deputy Izquierda splits time between Denair and Keyes and is considered our "Community Deputy".

7. Action Item(s)

a. 2026 Calendar

- i. Following a brief discussion, the 2026 Denair MAC calendar was adopted and will be published on the County's website (stancountymacs.com).
- ii. Potential conflicts with National Night Out (August) and Election Night (November) will be considered.

8. Correspondence

a. None

9. Council Comments and Suggestions for Future Agendas

a. Judy:

- i. The December Love Denair has been cancelled and will meet again in January

b. Adam:

- i. Happy Holidays and Happy New Year!

c. Jason:

- i. Happy Holidays and Happy New Year!

d. Sam:

- i. On Jan 17 the Lions Club will have a surf and turf (tri tip & shrimp) fundraiser dinner for scholarships in January. Tickets are \$65. Sam commented on community members reaching out to him about local crime and suggested we reach out to Sheriff Dirkse.

e. James:

- i. Science night is coming up at Great Valley Museum and is open to kids of all ages. Personal signs are being attached to stop signs other traffic signs. Per public works, it is illegal to mount anything to a traffic sign, and they will be removed.

10. The meeting was adjourned at 8:20 pm
