9. Council Comments and Suggestions for Future Agendas

Samuel Paulissian:

- The Lions Club will host their annual Pancake Breakfast Fundraiser on Sunday, November 1.

Judy Kindle:

- Love Denair will not have a meeting in September. The next meeting is in October. They will be working on shoebox gift packages for seniors and care packages for local students.

Adam Dalton:

- The Denair Farm and Family Festival is coming soon (September 12)

Jason De Muro:

- Winter is approaching and is scheduled to be a big one. Check gutters, roofs, etc. now before it's too late.

James Brugger:

- September 19th is Nasa's International Observe the Moon Night.
    - On the18th the DECA Parents Club will have a fundraising event and Jim and Fred Yerzy will provide astronomy activities and telescopes to view the moon and Saturn.
- Jim has an article in the Dispatch on astronomy.
- When new subdivisions are proposed or built, there is often concern about what that growth means for our community. Accordingly, James suggested having a series of informational items in 2027 at MAC meetings focused on community development and the implications of growth. The series could include:
    - County Planning – Update on the Denair Community Plan.
    - DUSD – How growth affects the School District.
    - Denair Community Services District – Infrastructure considerations.
    - Public Works – Roads and storm drainage.
