DISCUSSION:

On October 20, 1992, the Stanislaus County Board of Supervisors approved the formation of the Denair Municipal Advisory Council (MAC) in Supervisorial District 2. On April 18, 2000, the Board of Supervisors approved an amendment to the Bylaws to change the number of MAC members from seven to five. The Denair MAC is charged with advising, "the Stanislaus County Board of Supervisors on matters of public health, welfare, safety, planning, and public works, and other such matters as the Board of Supervisors may designate which affect the territory and inhabitants of the unincorporated community of Denair, California; and, represent this community to any governmental agency or other organization on matters concerning the community."

Stanislaus Municipal Advisory Councils (MACs) are established by a Board of Supervisors resolution pursuant to Government Code Section 31010 as an advisory body of local citizens which can either be elected by the community or appointed by the Board of Supervisors. There are currently nine Municipal Advisory Councils in Stanislaus County representing the communities of Denair, Empire, Hickman, Keyes, Knights Ferry, Salida, South Modesto, Valley Home, and Wood Colony.

When establishing a Municipal Advisory Council, Government Code Section 31010 gives the Board of Supervisors an option on the method of member selection to be by appointment or election. Elections Code and Government Code have strict timelines of filling seats in-lieu of election, and filling vacancies when one occurs. It is possible for these deadlines to pass before an eligible candidate is identified, therefore impacting the ability of the MAC to function as intended until the next election occurs up to two years later.

Switching the Denair MAC to an appointed membership would give the Board of Supervisors more time to fill vacancies, because the seat would not be subject to strict timelines stated in Elections and Government Code. Currently, the Board of Supervisors has only 90 days to appoint a person to a vacancy. This timeline gets shortened to meet administrative deadlines and can be further shortened due to the timing of Board meetings. This can result in a vacant position on the MAC until the next scheduled election. Without the Election and Government Code restrictions, the Board of Supervisors could appoint new members to vacancies at any time, therefore increasing the chances of filling the vacancies.

MACs are unique in the fact that they are traditionally elected officials, but the Board of Supervisors have the sole appointing authority over vacancies. By transitioning the Denair MAC to an appointed membership, the Registrar of Voters will no longer be required to perform the administrative work needed (preparing and maintain files, accepting candidate paperwork, etc.) to prepare for a potential Denair MAC election.

The recommended bylaw amendments will change the MAC members from elected members to appointed members and will also affect the vacancies section should a position become vacant prior to the expiration of the term.

The Denair MAC bylaws detail the amendment process. In summary, bylaw amendments must be first submitted in writing at a monthly meeting with a copy for each member. At the next meeting, the amendment shall be approved by the majority of the Council. Amendments to the bylaws must be approved by the Board of Supervisors. The bylaw amendments were submitted in writing to each of the Council members at their August 3, 2021 regular meeting, with a unanimous vote from the Council voting to approve the bylaws at the September 7, 2021 regular meeting. It should be noted that one member was absent.

If approved by the Board, the Denair MAC will join the Valley Home and Knights Ferry MACs with appointed membership and the remaining six MACs with the traditional elected membership.

POLICY ISSUE:

Amendments to the Denair Municipal Advisory Council (MAC) bylaws must be forwarded to the Board of Supervisors for approval. In doing so, the Board should determine whether the amendment to the bylaws is consistent with the MAC's objectives and purposes.

FISCAL IMPACT:

There is no direct fiscal impact associated with the proposed bylaw changes. Municipal Advisory Councils are currently allocated \$150 annually within the Chief Executive Office – Operations and Services budget for administrative and meeting expenses.

BOARD OF SUPERVISORS' PRIORITY:

Approval of the recommended actions supports the Board of Supervisors' priorities of *Strong and Safe Neighborhoods, Supporting Community Health, Delivering Efficient Public Services and Community Infrastructure* through the continued support of Municipal Advisory Councils.

STAFFING IMPACT:

County departments attend the Denair Municipal Advisory Council meetings periodically. The Registrar of Voters will no longer be responsible for candidate filings and other administrative work associated with the Denair Municipal Advisory Council. The Clerk of the Board will continue its responsibility of tracking the appointments of the Denair MAC.
