

KEYES MUNICIPAL ADVISORY COUNCIL

MEMBERS

William Henry Alexander
Mario Amaya
Harinder Grewal
Davie Landers
Jeff Reed

SPECIAL MEETING MINUTES

Thursday, February 27, 2020 at 6:00 pm
Keyes Community Services District
5601 7th Street, Keyes, CA 95307
Phone: 209.664.1431

Members Present: William Henry Alexander, Mario Amaya, Harinder Grewal, Davie Landers, and Jeff Reed

Members Absent: None

- I. Called Meeting to Order at 6:00 PM
- II. Pledged Allegiance to the Flag
- III. Public Comments – No Public Comments.
- IV. Special Order of Business
 - A. The MAC heard a presentation from Ernie Garza, General Manager of the Keyes Community Services District (CSD), on the need to install a well filtration system in a centralized location. Mr. Garza shared photos of a system that was installed in Livingston, CA so that the MAC could have an idea of how the filtration system would look like if it was installed on the lot that the CSD is interested in purchasing from the County. The MAC had concerns on the noise levels and if it would be an eye sore as parcel number 045-066-059 is in the community and in a neighborhood.

The parcel location is ideal as it could be the most cost-effective method to install a filtration system for well #7, as the lot where well #7 is located has no room to install a filtration system.

After the presentation, Jeff Reed made a motion and a recommendation for the Keyes Community Services District to proceed with the purchase of the lot to install the filtration system. Harinder Grewal seconded the motion and the recommendation was unanimously approved.

- VIII. Meeting adjourned at 6:25 p.m.

Next Regular Meeting: April 16, 2020
