b. California Highway Patrol – Officer Moore

- Shared statistics
- Comment: Vice-Chair, Madrigal, dealerships on Crows Landing Rd are parking cars on street preventing handicap people from using sidewalks. He'll do some outreach; part of the street belongs to CHP and part to Ceres.
- Comment: Member, Ramirez, reported to Public Works and Sheriff's Office private property 1708 Atlantic Dr. is selling cars on their lot which is blocking visibility for passing cars. Chair, Harrington, suggested getting DMV involved. Erica, Chief Executive Office, offered to try and get all 3 departments (Public Works, Sheriff's Office, and Code Enforcement) together to hear concerns.
- Comment: Vice-Chair, Madrigal, when contacting dispatch, sometimes the department responding has asked that the resident contact a different department since concern might not be in their jurisdiction. It should be the department responding that forwards concern to the correct department. Officer Moore mentioned he had a good contact in the Special Investigation Unit and would reach out to him to see how they can assist.
